Our goal at Northland is to help each student take the next step in his or her spiritual life. During your training, we want to be a part of encouraging you in your spiritual walk. This evaluation has been designed for that purpose. It serves as a way for us to get to know you and, we hope, be a blessing to you. We realize that no one, ourselves included, has spiritually "arrived." While we do not look for perfect people as students, we do look for those who have a tender heart toward obeying God and those who will honestly accept the responsibility to evaluate their walk with God, recognize their spiritual needs, and submit to live according to His will. Each of these self-evaluation questions is intended to help you consider where you are spiritually and to challenge you to become committed to Jesus Christ. Although some of the questions are personal, we do not ask you to answer in detail. As you have opportunity, please return this form to complete your file. While the reference forms you received in your application are designed to introduce you to us by way of others, this self-evaluation provides you the opportunity to introduce yourself to us.
